# COZUMEL, MEXICO

7 Nights at the ALL-INCLUSIVE

## IBEROSTAR COZUMEL

February 28 - March 7, 2015

**F**ly non-stop from Hartford to Cancun, Mexico, then ferry to the tropical island of Cozumel for our 7-night all-inclusive vacation. Just twelve miles off the Yucatan coast, Cozumel draws **divers and snorkelers** from around the globe. Once described by Jacques Cousteau as the best diving area in the world, famous **Palancar Reef** lies three miles offshore and is renowned for its underwater clarity. On the eastern side, white beaches are left as they were when Mayans inhabited the island. Take a jeep tour, explore **ruins** in the jungles, or snorkel in the **Chankanaab Lagoon**, which features the only inland coral reef formation in the world. Our hotel, the IBEROSTAR COZUMEL, is a beachfront resort nestled in an enclave of natural beauty and located near the Palancar Reef. It features 306 guestrooms in 43 bungalows which include hammocks and private patios that incorporate the local flora and fauna. Savor quiet moments alongside the enormous lake pool, where you can enjoy the rays of a warm Mexican sun or relax beneath shaded palms. The 24/7 all-inclusive program includes non-motorized watersports as well as all meals, drinks, and a wide variety of activities and entertainment. Dine on tempting selections at the international buffet, Steakhouse, Mexican, or American-style specialty restaurant, and

enjoy national and international drinks at six bars. At the theatre, enjoy a wide array of entertaining live shows and performances every night.
