New Business

Treasurer Ann Gustafson reported that as of May 10, an additional \$210 had been received in dues (7 @ \$30) and \$300 in donations (all amounts in excess of \$30). The plant sale net profit was \$558. There is now \$5,042.62 in the checking account, \$3,774.71 in savings, and \$26,973.95 in lake maintenance, for a total of \$35,791.28 in all three CRC accounts.

Ginny Graves reported that the Babb's Park savings account has a balance of \$26,835.10 and a balance of \$479.89 in the checking account.

Steve Schmid explained that the lake treatment was done on Monday and distributed maps showing the planned treatment areas – actual treatment areas may have varied.

Eric Mueller, a Southwick Lake Management Committee member, spoke about the database that has been built for water analysis. An alum treatment to reduce phosphate levels is being considered but will cost approximately \$800,000. The canal restoration project would increase flow out of the lake and therefore improve water quality and help manage the lake level but it is currently unfunded. A lake depth profile done last week found that the water is warmer than last year, which may result in more algae growth this year.

Deb Herath and Jerry Crane announced the results of the April 30 plant sale which netted \$558.

Deb and Steve reminded everyone that the Babb's Park clean-up will be on Saturday, May 21, from 9 a.m. to 1 p.m. Bring yard tools.

Steve reminded everyone that he will be showing the movie "Hoot" at Babb's Park on Friday night, May 27, starting at dark (about 8:30 p.m.), weather permitting.

Ron Greene discussed two possible options for CRC fundraising:

- 1) A swap meet with a table charge of \$10 and a 10% fee to sellers which would go to CRC. He said that he'd need about \$250 for ads. The tentative date is June 18.
- 2) A kayak regatta (aka race), perhaps in mid-August. It was suggested that August 20 would be a good date.

Christine Pepka announced that the CLEPO fund raiser at Crabby Joe's on May 7 raised approximately \$1,700. They now have about \$5,000 toward their goal of \$15,000 to fight the appeal of their lawsuit victory. A pre-trail conference will be on May 26. A golf tournament is planned for July 9 at the Suffield Country Club, with an optional dinner.

Deb noted that Southwick will have a town meeting on May 17 at which time reducing the funding for the North Pond land acquisition will be discussed. She encouraged everyone to attend and to speak against reducing the funding for land preservation.
